

# DAM EASY<sup>®</sup> FLOOD BARRIERS

FLOOD PROTECTION MADE EASY

## Thank you for purchasing the Dam Easy<sup>®</sup> Flood Barrier

Having experienced the devastating effect of flooding (and unable to find an effective solution on the market), All Weather Industries designed the **Dam Easy<sup>®</sup> Flood Barrier**.

The **Dam Easy<sup>®</sup> Flood Barrier** provides temporary flood protection for doorways.

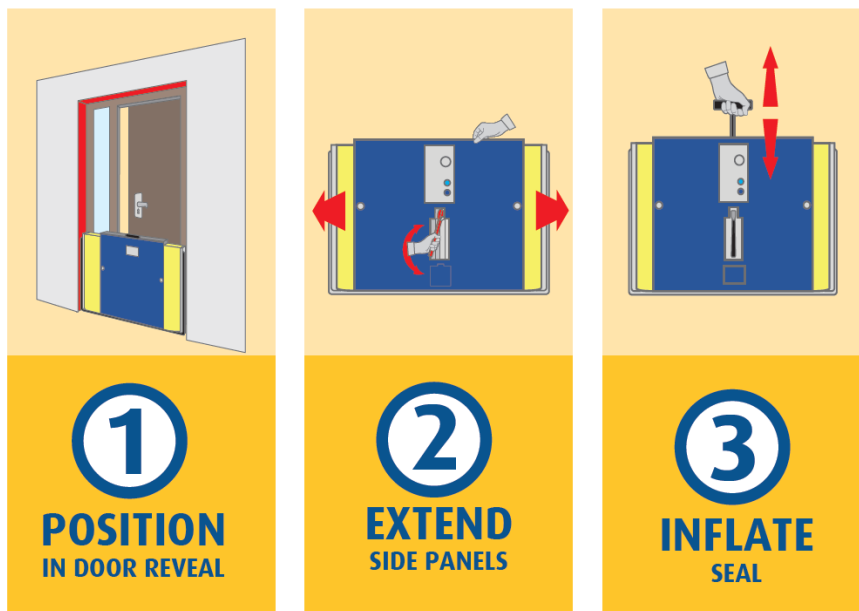

### How it works

- Within suitable doorways, the **Dam Easy<sup>®</sup> Flood Barrier** extends to fit securely within reveals 780mm – 1100mm wide
- Inflation of unique, patented inflatable seal creates a watertight seal in seconds

The **Dam Easy<sup>®</sup> Flood Barrier** features include;

- ✓ A unique inflatable seal (patented)
- ✓ Simple and fast to install, no tools or trade skills required
- ✓ No unsightly fixings that damage doorways
- ✓ Reusable in different doorways/properties
- ✓ Extendible, for installation in doorways of various size
- ✓ Peace of mind with independent testing and certification from EFPA and CE Marking.

## INSTALLATION IN 3 EASY STEPS

**NO TOOLS**

**NO FIXINGS**

**NO SILICONE**

**NO DRILLING**
